

THE ACHEIVER

OFFICER SPOTLIGHT

Parliamentarian Andrew Bell

Andrew Bell, our Parliamentarian is a Junior at Southeast Missouri State University and a Pre-Veterinary major. After graduation Andrew plans to attend Veterinary school.

A Little about Andrew:

Achievements:

Local Chapter President of DTA

3 of his favorite things:

His car, Aux cord, and SeaRay bal lcap

Interests & Activities:

Boating, hunting, reading, camping, and playing with his dog

3 words he would use to describe his self:

Fun-loving, hardworking, friendly

Why is Agriculture important to him?

Agriculture is the base of everything. Without it, we would not have this country. It is currently being thrown to the wayside because of all the easy, misleading information thrown out constantly by social media and other news places. It is incredibly important that we, as agriculturalists, continue to strive to put out the correct information so there is no confusion on what is best for the future of our industry.

OR GO HOME

OFFICER SPOTLIGHT

President Bethany McKinney

Bethany McKinney, our President is a senior at Eastern Kentucky University and an Agri-Business Management major. After graduation she plans to start in the Ag Workforce and eventually end up in the USDA.

A little about Bethany:

Achievements:

Dean's List and Dean's Award, DTA National Secretary & President, ECU DTA Secretary & President.

3 of her favorite things:

Cows, the color green and rock and roll

Interests & Activities:

Read, play piano, church activities, spend time with friends and family

Words to live by: "Only you can control your future" –Dr. Seuss

3 words she would use to describe herself:

Kind, honest, reserved

Why is Agriculture important to her?

She's had some influence of it from her family her whole life and I think it's important to know where our food comes from.
